Alpha Solutions
Founder & CEO
March 2025 - Present (8 months)
Gujranwala, Punjab, Pakistan

As the Founder & CEO of Alpha Solutions, a subsidiary of Alpha Group, I am passionate about building innovative, scalable, and impactful digital solutions that help businesses grow in today’s competitive world.

With expertise in full-stack web & mobile app development, custom software, AI integration, and digital marketing, I lead a talented team dedicated to delivering high-quality results for startups, local businesses, and global clients.

My Mission
To empower businesses with technology that drives efficiency, scalability, and long-term success — while creating opportunities for growth and innovation.

Beyond Alpha Solutions

Through Alpha Group, I also oversee Alpha Academy, an initiative focused on bridging the gap between technology and education by providing hands-on IT training and career readiness programs.

I believe in combining vision, strategy, and execution to transform ideas into powerful digital realities.
